2020 WILLAMETTE VALLEY
ROSÉ OF PINOT NOIR
Willamette Valley AVA

WINEMAKER NOTES

Pinot Noir grapes were hand-picked and selected from two cool climate vineyards. The fruit was then hand-sorted, and whole-cluster pressed. Juice from each vineyard was kept separate until after fermentation then blended together. Fermentation was in 100% stainless steel tanks, at low temperatures, for three weeks. This slow, cool fermentation preserves fruitiness and floral aromas.

This tantalizing Rosé of Pinot Noir is bright, refreshing and juicy. In the glass, the wine is a beautiful shade of coral, as aromas of peach and ruby-red grapefruit tempt your senses. The palate is rich and silky, and layered with flavors of passion fruit, watermelon and white peach. Vibrant acidity carries through to a mouth-watering finish with hints of minerality, saltwater taffy and Meyer lemon.
