

2021 SILVAN RIDGE EARLY MUSCAT

SEMI-SPARKLING

TASTING NOTES

Whole cluster pressing and minimal handling generate exceptional complexity in this sweet, richly aromatic and flavorful semi-sparkling wine. The nose is filled with scents of white peach and tangerine, with accents of honey and bright spicy hints of lychee, Orange Julius and toasted marshmallow. The palate continues with a sweet, rich, and fruity core of tropical flavors, plus more peach and citrusy acidity to keep the wine luscious but balanced.
